A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of Class II the number of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats, the maundage determined as above shall be reduced by one-third as an allowance for engine space.

For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when

demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per 100 maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls will be levied at Rambhadra and Charkhola.

14. For boats frequently using the channel such boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

15. Every vessel which has paid toll shall be allowed to remain in the channel for three days inclusive of the days of entry into and leaving the channel. A vessel remaining in any part of the channel longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the channel for more than one month: Provided that this rule shall not apply to vessels holding monthly tickets under rule 14, which may remain in the channel for more than three days without payment of demurrage but not for more than one month at a time.

16. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the channel referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the union board of Nailtala shall be liable for toll in the channel.

(b) a Ruler or a subject of an Indian State or a British protected person of the tribal areas.

**Vide* sec. 311 of the Government of India Act, 1935.

Provided that in the case of a British subject the requirements of part (a) of this rule may be waived by the Secretary of State if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor General in Council, be limited to such number as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Royal Indian Navy.

(ii) if accepted for admission to the examination Rs. 50 immediately after the receipt of the certificate of admission.

NOTIFICATIONS.

No. 4-1.—5th January 1943.—The following draft rules and schedule of rates of tolls which, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make regarding the Adajhuri river connecting the Baleswar river with the Kaliganga river in the Pirojpur subdivision of the district of Bakarganj, are published for the information of persons likely to be affected thereby.

Any objection or suggestion with respect to the draft rules and the schedule of rates of tolls should reach the undersigned not later than the 25th February 1943:—

Draft rules and schedule of rates of tolls.

1. In these rules "vessel" does not include boats not exceeding 11 cubits or 16½ feet in length.

2. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the union board of Nailtala, on this behalf.

3. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include *all vessels* of the types of *country boats*, including saltees and hapors (fish cages), *house boats*, kosh boats, green boats, etc.

Class II.—To include steam boats, motor boats, flats and barges and other square built vessels.

4. The maundage of every vessel, whether laden or empty, shall, for the purpose of the Canals Act, 1864 (Bengal Act V of 1864), and of these rules, be determined by the following measurements:—

Class I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of Class II the numbe. of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats, the maundage determined as above shall be reduced by one-third as an allowance for engine spare.

For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll, except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency

the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per 100 maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls will be levied at Rambhadra and Charkhola.

14. For boats frequently using the channel such boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

15. Every vessel which has paid toll shall be allowed to remain in the channel for three days inclusive of the days of entry into and leaving the channel. A vessel remaining in any part of the channel longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the channel for more than one month: Provided that this rule shall not apply to vessels holding monthly tickets under rule 14, which may remain in the channel for more than three days without payment of demurrage but not for more than one month at a time.

16. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the channel referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the union board of Nailtala shall be liable for toll in the channel.

17. Any matter relating to the mode of collection of tolls and other relevant points not provided for in these rules, shall be decided by the union board of Nailtala at a meeting and shall be subject to the approval of the Provincial Government.

By order of the Governor,

B. R. SEN,

Secy. to the Govt. of Bengal.

Agreement.

MEMORANDUM OF AGREEMENT made this 18th day of January 1943 between the Machine Manufacturing Co., Ltd., a Company (registered under the Indian Companies Act, 1913), and having its registered office at Lillooah in the district of Howrah (hereinafter called the Company) of the one part and the Governor of the Province of Bengal (hereinafter called the Governor) of the other part.

WHEREAS for the purpose of the extension of its buildings and premises the Company has applied to the Government of Bengal herinafter referred to as "the Government" for the acquisition under the provisions of the Land Acquisition Act, 1894, of the piece or parcel of land containing 0·684 acre or thereabout, situate in the village of Belur, in the district of Howrah and more particularly described in the Schedule hereto and delineated in the plan* hereunto annexed.

AND WHEREAS the said Government, being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the piece or parcel of land hereinbefore described.

AND WHEREAS the said Government has required the Company under the provisions of section 41 of the abovementioned Act to enter into the agreement with the Governor hereinafter contained. Now this Indenture witnesseth that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligation of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. 5. The said extension of buildings shall be completed (and fully equipped in all respects ready for use) within one year from the date on which possession of the said land shall have been given to the Company.

6. Should the said extension of buildings not be completed and fully equipped in all respects ready for use within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government or should the said land at any time thereafter cease for a period of six consecutive months, to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think fit and proper.

(*i*) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(*ii*) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(*iii*) Should the said Government decide to sell the buildings only upon such sale, the Governor after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

Class II.

For vessels of Class II the number of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shewn by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as

provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

1. (1) These Rules may be cited as the Indian Civil Service Provident Fund Rules.

(2) They shall come into force on the 3rd day of June, 1942.

2. In these Rules unless the context otherwise requires—

(1) "Account Officer" means the Audit Officer so designated by the Auditor-General of India.

(4) "Family" means the wife or wives and children of a subscriber and the widow or widows and children of a deceased son of a subscriber, widowed mother, unmarried sisters and minor brothers, but if a subscriber proves that his wife has been judicially separated from him or has ceased under the customary law of the community to which she belongs to be entitled to maintenance, she shall be deemed to be no longer a member of the subscriber's family in matters to which these Rules relate, unless the subscriber indicates in writing to the Account Officer that she shall continue to be so regarded.

(5) "Fund" means the Indian Civil Service Provident Fund.

3. Every member of the Indian Civil Service other than a member appointed before the 1st April, 1937, to be a Judge of a High Court, shall subscribe monthly to the Fund an amount, which shall be a sum of whole rupees, fixed by himself, but not less than four nor more than 12½ per cent. of his emoluments for the month:

Provided that subscription shall be optional—

(a) for a member of the Executive Council of the Governor-General;

(b) during leave on minimum leave salary or leave salary under Rule 88 of the Fundamental Rules or while the subscriber is under suspension during which reduced remuneration is drawn;

Provided further in the case of a member appointed to serve in the armed forces of the Crown during an emergency that the amount of his subscription to the Fund shall be calculated on the emoluments he would have drawn if he had remained on duty in civil employment and that subscription to the Fund shall be optional while he is serving outside India.

4. Interest at the rate determined for each year according to the method of calculation prescribed by the Secretary of State shall be credited to the account of each subscriber as from the 31st March of each year subject to the following conditions:—

(1) Interest for 12 months shall be credited on the amount at the credit of the subscriber on the 31st March of the preceding year less any advance taken during the year;

(2) Interest shall be credited for each month of the year upon the sum by which the minimum amount at the credit of the subscriber between the close of the fourth day of the end of the month exceeded the amount on which interest is credited under sub-rule (1), subscriptions paid by deductions from emoluments being treated for the purpose of this sub-rule as having been deposited in the Fund on the first day of the month in which payment is actually made;

(3) If the total amount of interest allowed under sub-rules (1) and (2) contains a fraction of a rupee, it shall be rounded to the nearest whole rupee, 8 annas counting as the next higher rupee;

(5) The rate of interest is liable to revision on the 1st April of each year without notice.

5. (1) Each subscriber shall as soon as may be after joining the Fund send to the Account Officer a nomination conferring on one or more persons

the right to receive the amount that may stand to his credit in the Fund, in the event of his death before that amount has become payable, or having become payable, has not been paid:

Provided that if, at the time of making the nomination, the subscriber has a family the nomination shall not be in favour of any person or persons other than the members of his family.

(2) If a subscriber nominates more than one person under sub-rule (1), he shall specify in the nomination the amount or share payable to each of the nominees in such manner as to cover the whole of the amount that may stand to his credit in the Fund at any time.

(3) A subscriber may at any time cancel a nomination by sending a notice in writing to the Account Officer:

Provided that the subscriber shall along with such notice send a fresh nomination made in accordance with the provisions of sub-rules (1) and (2).

(4) Without prejudice to the provisions of sub-rule (3), a subscriber shall along with every nomination made by him under this Rule send to the Account Officer:

(a) a notice to the effect that in the event of any of the nominees predeceasing him, the nomination in respect of the deceased nominee shall forthwith stand cancelled, and

(b) if the nomination is made at a time when the subscriber has no family, a notice to the effect that in the event of his thereafter acquiring a family the nomination shall forthwith stand cancelled.

(5) Immediately on the occurrence of any event by reason of which the notice of cancellation referred to in sub-rule (4) becomes operative and the nomination to which that notice relates consequently stands cancelled, the subscriber shall send to the Account Officer a fresh nomination made in accordance with the provisions of sub-rules (1) and (2).

(6) Every nomination made, and every notice of cancellation given, by a subscriber shall, to the extent that it is valid and operative, take effect on the date on which it is received by the Account Officer.

6. (1) Government may sanction the payment to any subscriber of an advance consisting of a sum of whole rupees and ordinarily not exceeding in amount three months' pay from the sum standing to his credit in the Fund.

(2) An advance shall not be granted under this Rule to any subscriber until at least twelve months have elapsed from the date of repayment of the last instalment of any previous advance unless Government considers, for reasons which shall be recorded in writing, that this restriction may be relaxed.

7. (1) An advance shall be recovered in such number of equal monthly instalments, each being a sum of whole rupees, not less than twelve or more than twenty-four, as Government may prescribe:—

Provided that—

(a) No recovery shall be made while the subscriber is on leave, or under suspension during which reduced remuneration is drawn;

(b) recovery may be postponed by Government during the recovery of an advance granted to the subscriber otherwise than from the Fund;

(c) a subscriber may if he so desires repay more than one instalment in a month.

(2) If at any time under the provisions of Rule 6(2) an advance has been made to a subscriber before one previously made has been completely repaid, each advance shall be treated separately for purposes of recovery.

(3) After repayment of the advance interest thereon equivalent to one-fifth per cent. of the advance for each month or part of a month of the period between drawal and complete repayment of the advance and rounded off to the nearest rupee, is payable in one instalment, if the advance has been repaid in twelve instalments and in two equal instalments if the advance has been repaid in more than twelve instalments.

8. Payments towards a policy of insurance of any description on the subscriber's own life may, at the option of a subscriber, be substituted for subscriptions to the Fund, subject to the following conditions:—

(1) No amount shall be withdrawn before the details of the proposed policy have been submitted to the Account Officer and accepted by him as suitable.

(2) If the payments substituted be less than the minimum subscription required by Rule 3, the deficiency shall be rounded to the nearest rupee in the manner provided in Rule 4(3), and paid by the Subscriber as a subscription to the Fund.

(3) Government will not make any payments to insurance companies on behalf of subscribers, nor will they take steps to keep the policy alive. If a subscriber records on his pay bill that he is making payments to an insurance company, the Account Officer shall recover the deficiency, if any, due under sub-rule (2) and demand periodically to see the receipts or certified copies of the receipts showing that such payments have been made. Failing the production of such receipts he shall make the necessary deductions from the subscriber's emoluments and pay them to his credit in the Fund, and shall require the subscriber to furnish a certificate by the insurance company either that the policy has lapsed or matured, in which case the amount realised by surrender or on maturity shall be stated in the certificate, or that premiums have not been paid, as the case may be. Should a subscriber prefer, he may make the usual deduction from his pay bills for credit to the Fund and arrange with the Account Officer to draw from the Fund as required the sums necessary to pay premiums or to recoup premiums already paid, provided that no amount shall be withdrawn to meet any payment made more than 12 months before the withdrawal. Any sums already at credit of the subscriber in the Fund may be withdrawn for the purpose of making payments under this rule, provided that the amounts withdrawn shall be rounded to the nearest rupee in the manner provided in Rule 4(3). Such withdrawals shall be treated as advances for the purpose of Rule 4(1) only, and not for the purposes of Rules 6 and 7.

(4) If any policy lapses the subscriber shall pay to the Fund the amount of premiums paid with interest thereon, and if any policy matures he shall pay to the Fund the amount of premiums paid with interest thereon, or at his option the sum realised.

(5) Once a policy has been accepted by an Account Officer for the purpose of being financed from the Fund, the terms of the policy shall not be altered nor shall the policy be exchanged for another policy without the prior consent of the Account Officer to whom details of the alteration or of the new policy shall be furnished.

9. A subscriber may withdraw from the amount standing to his credit in the Fund any sum of whole rupees required to provide supplementary

pensions for his wife, sons and daughters of any of them under the Indian Service Family Pension Fund Rules.

10. The amount standing to the credit of a subscriber in the Fund is not liable to forfeiture in the event of his dismissal or removal from the service or of his quitting it, before he becomes entitled to annuity.

11. Except as provided in Rules 6, 8 and 9 the amount standing at the credit of a subscriber in the Fund shall not be withdrawn until he quits the service or dies:

Provided that a subscriber who has been granted leave preparatory to retirement or, in the case of one serving in a vacation Department, has been allowed vacation with such leave, or who while on leave is either permitted to retire voluntarily or is required to retire on the grounds of ill-health, may withdraw the amount standing to his credit at any time between the commencement of the leave or vacation as the case may be, or the date of such permission or requirement as the case may be, and the date of actual retirement, but if he returns to duty at the end of his leave he shall repay to the Fund the whole amount withdrawn by him with interest thereon. A subscriber who exercises the option allowed by this proviso shall not subscribe to the Fund after such withdrawal unless and until he returns to duty.

12. On the death of a subscriber before the amount standing to his credit has become payable or, where the amount has become payable, before payment has been made:—

(1) When the subscriber leaves a family—

(a) if a nomination in favour of a member or members of his family subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates, shall be paid to his nominee or nominee in the proportion specified in the nomination;

NOTIFICATION.

No. 4-I.—5th January 1943.—The following draft rules and schedule of rates of tolls which, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make regarding the Adajhuri river connecting the Baleswar river with the Kaliganga river in the Pirojpur subdivision of the district of Bakarganj, are published for the information of persons likely to be affected thereby.

Any objection or suggestion with respect to the draft rules and the schedule of rates of tolls should reach the undersigned not later than the 25th February 1943:—

Draft rules and schedule of rates of tolls.

1. In these rules "vessel" does not include boats not exceeding 11 cubits or 16½ feet in length.

2. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the union board of Nailtala, on this behalf.

3. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include *all vessels* of the types of *country boats*, including saltees and hapors (fish cages), *house boats*, kosh boats, green boats, etc.

Class II.—To include steam boats, motor boats, flats and barges and other square built vessels.

4. The maundage of every vessel, whether laden or empty, shall, for the purpose of the Canals Act, 1864 (Bengal Act V of 1864), and of these rules, be determined by the following measurements:—

Class I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of tolls is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder or less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of Class II the number of maunds obtained by the system of measurement prescribed for vessels of Class I shall be increased by one half. For vessels of the class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats, the maundage determined as above shall be reduced by one-third as an allowance for engine spare.

For vessels of Class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

5. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

6. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and number of days for which the ticket remains current.

7. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

8. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect toll, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 4 and 13 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provision of section 9 of the Act.

9. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

10. All vessels, whether the property of Government, district board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules by a resolution passed by the union board of Nailtala from time to time.

11. The channel may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the channel may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

12. No rafts exceeding 60 feet in length and 30 feet in breadth shall be permitted to enter the channel.

13. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per 100 maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls will be levied at Rambhadra and Charkhola.

14. For boats frequently using the channel such boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

15. Every vessel which has paid toll shall be allowed to remain in the channel for three days inclusive of the days of entry into and leaving the channel. A vessel remaining in any part of the channel longer than three days shall be charged demurrage equal to one half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the channel for more than one month: Provided that this rule shall not apply to vessels holding monthly tickets under rule 14, which may remain in the channel for more than three days without payment of demurrage but not for more than one month at a time.

16. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the channel referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the union board of Nailtala shall be liable for toll in the channel.

17. Any matter relating to the mode of collection of tolls and other relevant points not provided for in these rules, shall be decided by the union board of Nailtala at a meeting and shall be subject to the approval of the Provincial Government.
